

The Silver Birch Academy Trust
Whittingham Primary Academy
Pupil Premium Funding 2016/17

The Trust's strategies relating to pupil achievement are based on ensuring **Quality First Teaching** across all year groups. There are a number of key strategies we use to supplement this including additional teaching support, intervention programmes, breakfast club, attendance support and educational visits. The following activities are in addition to these strategies, specifically targeted at pupils eligible for the Pupil Premium funding with the intended outcomes focused on **closing the gap (a) raising aspirations (b) and increasing engagement (c)**. Each strategy will be evaluated against the extent to which these outcomes are achieved. The funding in this academic year is £175,560. This represents a decrease on last year's allocation. The number of targeted pupils in this academic year is 133 pupils.
